All-Wheels Park

On Saturday July 1, 2023, the Township celebrated the official opening of the NEW All-Wheels Park located at the Asphodel-Norwood Community Centre Park.

The journey of skateboarding in Asphodel-Norwood started approximately 20 years ago when the community advocated for a skateboard park for the youth. They were successful with those efforts and have enjoyed a park for approximately 20 years. The youth of our community once again fundraised and advocated for an upgraded concrete park; and the NEW All-Wheels Park was made possible with:

- \$483,170 in funding through the Canada Community Revitalization Fund; and
- \$161,056 from the Township.

Councillor Walsh, Mayor Wilford, and Councillor Warr sharing in the ribbon cutting ceremony to mark the special occasion.

Special *Thanks* to **Riverside Tattoo & Skate Shop** for participating in the festivities, providing giveaways and bringing their mobile skateshop to the event, and **Ontario Provincial Police Bike Patrol** for hanging out on the pump track, and recognizing kids who were staying safe and wearing their helmets with some 'Positive Ticketing'.
